For my mum and dad, who showed me that when there's
love in your heart, you're as brave as can be!

WELCOME

Up in the tree house
one beautiful day
Wolfgang invited his friends
for a play.

This play date was going to be
special all right –
For this time his friends
could stay the whole night!

Catreen arrived first
with her favourite bear.
Montgomery made sure
he brought clean underwear.

Along came the monkeys
with cookies to eat
And then Daisy Pig ...
with high heels on her feet.

Wild games began
as they danced and threw balls
And jumped on the chairs
and climbed up the walls.

They laughed and they squealed –
what fun they all had!
But when the lights were turned off,
the play date turned bad.

Wolfgang is excited to have his friends over to stay for the whole night. They all have great fun until the lights go out and Wolfgang's secret fear of the dark is revealed.

His friends laugh at him until they hear his story and see the Shadow Monster for themselves!

Spider shows Wolfgang a special magic spell to make scary things go away. The magic spell is so good that all of his friends want to try it on the things that scare them too.

Life can sometimes be scary but there are some great tricks out there to make scary things not so scary anymore. You can even have a little fun with them!
